Perhaps he could not in good conscious see the world burn.

Why, hours after the election, did seven people travel to an undisclosed location to hold a very private & highly secured/guarded meeting?

Why didn't HRC give a concession speech?

When was the last time a presidential candidate didn't personally give a concession speech?

What happens if the border remained open and the MSM continued to brainwash?

SAVE AMERICA
PRESIDENT DONALD J. TRUMP

- October 7, 2021 -

Statement by Donald J. Trump, 45th President of the United States of America

Fiona Hill was terrible at her job. The first time I remember hearing her name was during Impeachment Hoax # 1, where she worked hard to say anything bad, but there wasn't much. It was a total con job. She may have been in the Oval and conference rooms with me, but this was not anybody who I recognized. Then she acted like she was a know-it-all, but in reality she had no influence whatsoever.

She was very close to one of the dumbest and most "crazed" people in Washington, John Bolton. Both of them didn't say much and what they did say wasn't listened to, especially after Bolton's statement that he wants the "Libya Model" on North Korea in the midst of my negotiation with Kim Jong Un. He made that statement on "Deface the Nation", or "Meet the Fake Press" - it doesn't matter, they're all the same. Fortunately, Kim Jong Un understood how stupid he was, and wouldn't allow him at meetings or dinners (I liked that).

Fiona Hill was a Deep State stiff with a nice accent. Books are being written by people like her who had virtually no access to me, and who I didn't even know. They write it as if they're experts on "Trump," but they know absolutely nothing about me. My function was to save our Country and Survive. Unfortunately, when you look at what is happening now with Afghanistan, the Border, inflation, etc., our Country is not being saved. It is in big trouble!

All questions above answered by an excerpt from my post 'How about a nice game of chess?' <https://t.me/littlemel/7977>

"Queen Elizabeth II in the UK was using Israeli NSO Pegasus to spy on everyone, she called all the shots through Obama's administration. The exchange of classified information flowed freely with or without the use of FVEY. On the 2016 election night 7 people, Barack Obama, Hillary Clinton, James Comey, Susan Rice, John Podesta, Chuck Schumer and Adam Schiff flew to London to have a private secret society meeting with Angela Merkel, Jacob Wallenberg and Queen Elizabeth II. The meeting was to discuss how to remove Donald Trump from the US Presidency using the one of their ships that have shipping container missile systems and they discussed how to keep their worldwide trafficking scheme quiet.
